

Your Health Care At Your Fingertips

PIN:

(Office staff write PIN in blank space above.)

With your busy life, it can be hard to stay on top of your family's health care — even though it's the most important thing of all. **Our online patient portal allows you to communicate with us easily and safely — according to your schedule.** Using your own secure password, you can log into the online patient portal 24 hours a day, 7 days a week from the comfort and privacy of your home or office.

WITH OUR PATIENT PORTAL SERVICE YOU CAN:

- View and request appointments
- Retrieve test results
- View personal health information
- Update demographic information
- Browse health facts and information
- View your billing statements and balance
- Make secure credit card payments
- Request prescriptions and refills
- Communicate with your doctor by sending and receiving secure messages

We offer the online patient portal to help you **save time, avoid playing phone tag with your doctor, and stay educated about ways to keep your family healthy and safe.**

You can register for the online patient portal in our office or online by visiting ((please see link at bottom of page))

Ask a staff member to learn more about the online patient portal or give us a call at (704)663-7905
